MESSAGE FROM THE SENATE.

Senate Chamber,
Austin, Texas, June 2, 1927.

Hon. Robert Lee Bobbitt, Speaker of
the House of Representatives.

Sir: I am directed by the Senate to
inform the House that the Senate has
passed

S. B. No. 54, A bill to be entitled
"An Act to amend Article 5518 of the
Revised Statutes of Texas of 1925, so
as to limit the time within which a per-
son under 21 years of age, or in the
military service of the United States in
time of war, or of unsound mind, or
imprisoned, may institute suit for the
recovery of real estate, and to add an-
other article to be known as Article
5518a, etc., and declaring an emer-
gency."

H. B. No. 62, A bill to be entitled
"An Act to ratify and confirm the
title of J. H. Cole and all other per-
sons holding a claim of title from W. H.
Walters in and to a tract of land in
Nacogdoches county known as the W. H.
Walters Labor of Land and containing
177 acres of land, and to disavow and
relinquish the right, claim and title of
the State of Texas in and to said land."

Respectfully,

MORRIS C. HANKINS,
Assistant Secretary of the Senate.

HOUSE BILL NO. 103 ON PASSAGE TO ENGROSSMENT.

The Speaker laid before the House,
as postponed business, on its passage to
engrossment, House bill No. 103, relat-
ing to method of removing county seats.

Mr. Satterwhite offered the following
amendment to the bill:

Amend House bill No. 103 by striking

out all after the enacting clause and
inserting in lieu thereof the following:

"Section 1. Article 1595 of the Re-
vised Civil Statutes of 1925 is hereby
amended so as to hereafter read as fol-
lows:

"Art. 1595. No county seat situated
within five miles of the geographical cen-
ter of any county shall be removed ex-
cept by a vote of two-thirds of all the
electors in said county voting on the
subject; nor shall any county seat be re-
moved from a point more than five miles
from the geographical center of any
county to any other point more than five
miles from such center, nor from a point
within five miles of the geographical
center to any other point within five
miles of such center, except by a two-
thirds vote of all the electors in said
county voting on the subject. No per-
son shall be allowed to vote except he be
a bona fide citizen of the county in which
he offers to vote. A majority of said
electors, however, voting at such election
may remove a county seat from a point
more than five miles from the geographi-
cal center of the county to a point with-
in five miles of such center; and in coun-
ties having a population of not less
than 1300 nor more than 1400 accord-
ing to the last United States census,
a majority of said electors voting at
such election may remove a county seat
from a point more than five miles from
the geographical center of the county to
another point more than five miles from
such center; in either event the center
to be determined by a certificate from
the Land Commissioner."

"Sec. 2. Article 1600 of the Revised
Civil Statutes of 1925 is hereby amended
so as to hereafter read as follows:

"Art. 1600. When such entry has
been made, the county seat, if the elec-
tion be held to move the county seat
from a point within five miles of the
geographical center, to a point more or
less than five miles from the geographi-
cal center, or from a point more than
five miles from the geographical center,
to any other point more than five miles
from such center, shall be removed
to the place receiving the votes of
two-thirds of all the electors vot-
ing on the subject; and such place
shall thereafter be the county seat
of such county. If the election be held
to move the county seat from a point
more than five miles from the geographi-
cal center to a point within five miles
of such center, then the county seat
shall be moved to the place receiving a

majority of all the electors in the county voting at such election and such place shall thereafter be the county seat of such county. In counties having a population of not less than 1300 nor more than 1400 according to the last United States census, if the election be held to remove the county seat from a point more than five miles from the geographical center to another point more than five miles from such center, then the county seat shall be removed to the place receiving a majority of all the electors in the county voting at such election, and such place shall thereafter be the county seat of such county.'

"Sec. 3. The importance of this act and the fact that the change in the statutes as herein provided should be made as soon as possible so as to permit the relocation of county seats to points nearer the center of population where the majority of citizens desires same located, and where the same will be more convenient and accessible to the majority of the citizens, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read upon three several days in each House be suspended, and said rule is hereby suspended and that this act shall take effect and be in force from and after its passage, and it is so enacted."

The amendment was adopted.

Mr. Satterwhite offered the following amendment to the bill:

Amend House bill No. 103 by striking out the caption and inserting in lieu thereof the following:

"A bill to be entitled 'An Act amending Articles 1595 and 1600 of the Revised Civil Statutes of 1925, so as to permit in counties having a population of not less than 1300 nor more than 1400 according to the last United States census, the removal, by a majority vote, of the county seat from any point in the county located more than five miles from the geographical center of the county to another point more than five miles from said geographical center of the county; enacting the necessary provisions in amending said articles necessary and incidental to said subject and purpose, and declaring an emergency.'"

The amendment was adopted.

House bill No. 103 was then passed to engrossment.

HOUSE BILL NO. 103 ON THIRD READING.

Mr. Satterwhite moved that the con-

stitutional rule requiring bills to be read on three several days be suspended, and that House bill No. 103 be placed on its third reading and final passage.

When, under this bill, the family of any superintendent, officer or employe of any of said institutions, are permitted to live at said institution, and furnished with board, fuel, lights, laundry, water, housing, or furnished any of said things, the word "family" shall be construed to mean the immediate family of said superintendent, officer or employe, including himself, wife and minor children only, and when any officer or employe is to be furnished with provisions not to exceed some certain amount stated, it shall be the duty of the storekeeper and accountant to charge said superintendent, officer or employe with each item of provisions as furnished him, showing the price or value thereof, and said storekeeper shall not permit the amount authorized to be exceeded, and shall make a monthly report of same to the Board of Control and said Board of Control shall be charged with the duty of seeing that no account for such provisions exceeds the amount allowed therefor.

And it is further provided that the heads of all said institutions hereinbefore mentioned shall keep a record of the absences of the various employes and the reasons therefor, whether from sickness, vacations, or leave of absence, and that the record of such absences be incorporated in the report made annually by the head of said institution.

Provided, that all new buildings authorized by this act, costing more than \$10,000, and for which appropriations are hereby made, except as otherwise provided, shall be of fireproof construction.

The amounts appropriated in this act are intended to cover and shall cover the entire cost of the respective items; the same shall not be supplemented from any other source whatever, and no portion of the money appropriated for any particular item shall be used or expended for any other item than that for which such appropriation was made; and no salary for which an appropriation is made herein shall be paid to any person unless such person actually discharges the duties of the position for which such appropriation was made; and no portion of an appropriation for one position shall be paid to any person holding any position other than that for which such appropriation was made; and it is especially provided hereby, that all contracts and undertakings entered into, under and by virtue of the terms thereof, for improvements, enlargements and repairs on buildings and grounds, and for the construction of new buildings and for furnishings and equipment of buildings, shall be made strictly within the limits and terms of the appropriations made for such purposes, and it shall be the duty of the board of control of the various in-

stitutions, in the consideration and adoption of plans, specifications and contracts therefor, not to exceed such appropriations nor to incur any obligations in excess thereof.

Sec. 2. Any superintendent of any of the foregoing institutions named in this bill, for which an appropriation is made herein, or any other person charged with the duty of disbursing the funds appropriated herein, who shall knowingly violate any of the provisions of this act shall be deemed guilty of official misconduct, which shall be, and the same is hereby made, a ground for the removal of such person from office.

Sec. 3. The fact that the above and foregoing is one of the regular appropriation bills for the support of the State eleemosynary institutions for the two fiscal years beginning September 1, 1927, and ending August 31, 1929, creates a necessity for the expediting of the passage of this appropriation bill, and an emergency and an imperative public necessity which demands that the constitutional rule requiring bills to be read on three several days be suspended, and that this bill become effective from and after its passage, and it is so enacted.

Mr. Satterwhite offered the following amendment to the bill:

Amend House bill No. 61 by striking out all of Sections 2, 3, 4 and 5 and insert in lieu thereof the following:

"Sec. 2. The Texas Prison Board shall have the power to make executory contracts for the purchase of necessary real estate or other fixed property and appurtenances belonging thereto for use by the prison system, upon such terms as to it may seem most advantageous to the prison system. Provided, no contract for the purchase of real estate or other fixed property or appurtenances belonging thereto, shall be binding upon the Texas Prison Board, or enforceable until said contract has been submitted to and approved by the Legislature and until appropriations have been made by the Legislature from the State Treasury for the payment of such initial or cash payment as may be required in said purchase. The Texas Prison Board shall have power to execute notes for deferred payments, after the initial cash payment has been made, and it shall have power to make such notes payable in such sums and at such times as may be agreed upon between said board and the vendors of any real estate so purchased; provided, that no payment shall be deferred to such a time as to create a debt within the meaning of the Constitution of Texas, and all payments or deferred payments

shall be made so as to be payable out of current revenues of the year for the biennium, collected or to be collected, so as not to constitute a debt in violation of the Constitution of this State. The title to all lands purchased by the board shall be examined, passed upon and approved as good and sufficient merchantable titles by the Attorney General. The title to all lands so purchased or held by the prison system shall vest in the Texas Prison Board and their successors in office, for the use and benefit of the State of Texas.

"Sec. 3. The fact that the State prison system is undergoing reorganization in its management, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is hereby suspended, and that this act take effect and be in force from and after its passage, and it is so enacted."

Amend House bill No. 61 by striking out all above the enacting clause and insert in lieu thereof the following:

"A bill to be entitled 'An Act authorizing the sale of real estate belonging to the State prison system and the making of oil and mineral leases thereon, and prescribing regulations, restrictions and directions relating thereto; authorizing executory contracts for the purchase of and to purchase necessary real estate or other fixed property and appurtenances belonging thereto for use of the prison system, and prescribing regulations, restrictions and directions relating thereto and relating to payment for such property, and declaring an emergency.'"

Question—Shall the amendment be adopted?

SENATE BILL ON FIRST READING.

The following Senate bill, received from the Senate today, was laid before the House, read first time, and referred to the appropriate committee, as follows:

Senate bill No. 54, to the Judiciary Committee.

RELATING TO PROPOSED CONSTITUTIONAL AMENDMENTS.

Mr. Rawlins offered the following resolution:

H. C. R. No. 5, Relating to certain constitutional amendments.

Whereas, At the Regular Session of the Fortieth Legislature of Texas, just

passed, there were submitted to a vote of the people of Texas a number of important proposed constitutional amendments affecting the following subjects:

(1) Fixing the compensation of the Governor and members of the Legislature.

(2) Granting relief to Confederate veterans and their widows.

(3) Exempting from taxation parsonages and certain property of associations for religious, educational and physical development.

(4) Reorganizing the Supreme Court, Court of Criminal Appeals and Courts of Civil Appeals.

(5) Relating to taxation, authorizing a separation of subjects of taxation for county and State purposes.

(6) Providing for a State Board of Education, and relating to terms of school officers; and

(7) Abolishing the fee system, and authorizing the Legislature to fix compensation of certain county officers in lieu of fees; and

Whereas, A number of these amendments are to be voted upon at a general election to be held the first Monday in August, 1927, and others to be voted upon the first Monday in November, 1928; and

Whereas, These amendments are most important to the progress and welfare of the people of the State of Texas; and

Whereas, There is apparent danger that the labor of the Legislature will be lost, and the large expense in connection with the submission and publication of said constitutional amendments, ineffective unless the people of the State are fully informed as to the necessity of these amendments, and an organized effort and campaign of information made, which will be necessary to fully inform the voters on each of said amendments; therefore, be it

Resolved by the House of Representatives, the Senate concurring, That a meeting of public spirited citizens and voters of the State of Texas be called and held in the Hall of the House of Representatives on Monday evening, June 6, at 8 o'clock p. m., for the purpose of effecting a State-wide organization, the purpose of which shall be to promulgate and disseminate information to the general public concerning all said proposed constitutional amendments, to the end that they may be voted upon intelligently, and adopted or rejected at the said elections.
